Mireia Mérida	938 390 776	<a href="mailto:mireia.merida@mecaniquesjoan.com">mireia.merida@mecaniquesjoan.com</a>	<a href="http://www.mecaniquesjoan.com">www.mecaniquesjoan.com</a>	We would be interested in finding a company specialized in pipe transformation that could help us to be more competitive in European market. We have problem in the automotive industry due to the low level of prices ruling the system. We are also open to find new raw materials supplier (tube) that could offer us as well better prices(Sales & service partner, Manufacturing services, Joint venture)	We have nice production facilities for pipe transformation with a large machinery park (very specialized in this industry). We could eventually produce parts for other companies dedicated to the same industry. Besides, we have a nice warehouse (about 1500m2), we are currently stocking raw material for several tube manufacturers that have customers near to our premises. We could extend this activity to other companies.(Sales & service partner, Manufacturing services, Joint venture)
